RE: U.S. v. Richard Jefferson  
Case No. 91-266  
Notice of Non-Compliance

Dear Judge Sarokin-Designate:

On September 9, 1992, Jefferson appeared before United States District Judge H. Lee Sarokin and was sentenced to 210 months imprisonment followed by five years supervised release on the offenses of Bank Robbery and Possession of a Firearm in the Commission of a Bank Robbery. In addition to the standard and mandatory conditions of supervision, the Court ordered that the offender refrain from the illegal possession and/or use of drugs, and that he shall submit to urinalysis or other forms of testing to ensure compliance. It was further ordered that the offender submit to drug treatment, on an outpatient or inpatient basis, as directed by the U.S. Probation Office. The offender has been supervised by the U.S. Probation Department in the District of Maryland since his release from custody on January 28, 2010.

The purpose of this letter is to report Jefferson's non-compliance with the conditions of his supervision. Specifically, on July 27, 2011, the offender submitted a urine sample which tested positive for the use of cocaine and marijuana. When questioned, the offender admitted to illegal drug use prior to this test. Jefferson has been re-enrolled into a substance abuse treatment program and was verbally reprimanded for his drug use.

In view of the above cited instances of non-compliance, it does not appear that a violation hearing is warranted at this time. If Your Honor requests an alternative course of action, please advise. We will make ourselves available should the Court wish to discuss this matter. You may contact the undersigned at the telephone number listed above.

Respectfully submitted,

WILFREDO TORRES, Chief  
U.S. Probation Officer
